Samoa Design

By Thomas Ellé, the Ligne Roset minimalist collection now includes a chair. Made of brightly finished steel powder-coated in the Black or White, each of the five-piece collection. www.ligne.com circle 320

Intérieurs

From Nazare's minimalist chair to soft sofa, the crewy cushioned seats for dining, living and a family lounge are all in the same style. This perfect mix of colors can be used in any room. www.intérieurs.com circle 321

Vial

Anna Lise Frisk has designed a simple chair for outdoor use. The chair is made of wood and has a seat made of woven fabric. It is perfect for use in a garden or on a terrace. www.vial.com circle 322

Loll Designs

The sandy chair, designed by Loll, is a perfect choice for outdoor use. It is made of recycled plastic and is perfect for use in a garden or on a terrace. www.loll.com circle 323

Ligne Roset

Linea and Ligne Roset have explored the world of modern furniture to create the **Flou** sofa. Ultra-comfortable high-density polyurethane foam covered in stretchy double-layer quilted polyester and wool. It is supported by a frame of steel tubing, chrome and nickel. www.ligne.com circle 324
