## **Swing Sunlounger** Collection: Unopiu

### **Description:**

A perfect balance between design and ergonomics characterizes Swing, the new stack-able rocking sun lounger made of thermo-curved teak slats with visible stainless steel fixings. The wavy frame allows a controlled swinging: a slight displacement of the mass center is all it takes to lift the lower part of the sun lounger. Swing comes complete with a 100% TEMPOTEST® acrylic cushion in off-white color.

### **Measurements:**

23.23" W x 65.75" L x 23.23" - 8.27" H
