Upper East Side design boutique [Interieurs](#) scours the globe for pieces you'll find nowhere else in New York. This week, it's offering Design Hunting readers 35 percent off handwoven **geometric-print pillows** from Senegal (normally \$170 to \$260); mention the newsletter in the store to receive the discount (228 E. 58th St., nr. Second Ave; [interieurs.com](#)).
