*What has captured designers' interests in outdoor this week? Below, the top five most-viewed products.*

### 1. Intérieurs – Caprice

The aluminum panels' tangled pattern protects privacy while still allowing sunlight in. The acrylic bedding cushions can be mixed and matched, as can the hardware, which includes galvanized-iron frames, panels, and window box/planters, powder-coated white. 212-343-0800; [interieurs.com](http://interieurs.com).
