WHAT'S NEW

TAKE FLIGHT

Industrial meets chic. With an efficient, streamlined design, the Parson's-style Gossett coffee table draws from aviation inspiration, complete with an aero-aluminum surface riveted in a decorative detailing of steel screws. To complete the airplane galley look, this original Safavieh piece is finished with three pullout storage drawers with leather handles. \$2495, *Safavieh Home Furnishings, Stamford, 203-327-4800, safaviebbome.com.*

FIRED UP

Bring warmth to a cold night with Intérieurs' stainless-steel portable tabletop fireplace. Add the high temperature ceramic shadow screen for safety and funky flair. \$250-\$620, *Intérieurs, NYC, 212-343-0800, interieurs.com.*

IN WITH THE OLD

Waterworks' new Promenade tiles, inspired by the past, are beautiful enough to warrant a spot in anyone's house, yet durable enough to secure longtime use. Match your personal style with numerous colors and patterns. *Greenwich, 203-869-7766, Danbury, 203-546-6265, waterworks.com.*

MOD MANTEL

Carved in limestone, Chesney's Faulkner mantel delivers an elegant look to any fireplace. The pilasters' sweeping curve is reflected in the polished-steel firedogs. *Chesney's (I), D&D, 646-840-0609, chesneys.com.*
